

GETTING TO KNOW YOU!

Math helps us solve problems, find patterns,
and make sense of the world.

Share a little about yourself!

1 My favorite type of math problem to solve is:

- ☐ Algebra
- ☐ Geometry
- ☐ Numbers & Operations
- ☐ Data & Graphs
- ☐ Other: _____

x^2

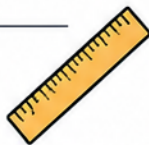

2 A topic I want to get better at:

3 A real-life situation where I use math:

4 A math strategy I find helpful:

5 A math challenge that puzzles me right now:

6 One number that is meaningful to me and why:

7 If I could invent a math app, it would help people:

8 A math career or job that interests me:

9 One word that describes me:
